jagged edge to use as a mask. Hold mask with one hand, and spray purse Stained Glass Sheer Color in Blue with the other. Move the mask and repeat in a linear fashion, creating an undulating wave-like pattern. Repeat steps with layers of Stained Glass Sheer Color in Green.

3. Rip another piece of paper into a jagged edge to use as a mask to create the sand. Hold the mask with one hand, and spray Make It Stone! with the other hand to create a rolling hill of sand.

4. Spray a light layer of Make It Suede!

Caramel over the Make It Stone! so that you can still see some of the varying colors in the Make It Stone! layer.

5. Spray lightly with Glitter Spray so that the sand sparkles.

6. Allow paints to dry completely.

7. Add various travel and stamp stickers to the purse. Add a few shells to the sand with a glue gun if desired.

8. Sand edges of the stickers.

9. Add wider ribbon for handle and thinner ribbon for front closure.
