*Optional

For product information, see sources on page 77.

Instructions

Note: Refer to photo for color and placement.

1. For decorating cover of List, choose Vintage Papers and cut two 4 1/4" x 7 1/4" pieces. With Glue Stick, adhere to front and back cover. Place all papers together, including several pieces of white cardstock, and hole-punch.
2. Measure out a piece of tan ribbon to fit and slide 1" Ribbon Charm onto tan ribbon. Using Glue Stick, adhere to front cover. This will accent the bottom border of front cover.
3. With Glue Stick, adhere Vintage Tag

to front cover. With remaining tan ribbon, tie List together. Adhere Metal Accent Word "FAMILY" to the Vintage Tag. Punch hole into Vintage Tag. Feed brad through tag and glue onto front cover. Embellish front cover using various elements from the Vintage Paper Pack. You can use your computer and printer to type up phrases for the cover if you choose to. Attach square frame to front cover for a unique way to display word phrases. Attach items to the cover with Glue Stick.

4. Attach six Foam Square Magnets to back cover to put onto your fridge.
