

XL Stackers Nesting Dies
By Sandy Hulsart for Cheery Lynn Designs

Here is a quick and easy way to make an elegant card in very little time using layers of Cheery Lynn Designs XL Stackers Nesting dies.

Cheery Lynn Designs dies used:

- [Scallop French Flair XL Stacker](#)
- [French Flair Silver Stacker.](#)
- [Scallop Circle XL Stacker](#)
- [Circle Silver Stacker](#)
- [Victorian Romance Flourish](#)
- [Exotic Butterfly Small](#)
- [Angel Wings](#)

From the bottom the layers are:

Largest Scallop French Flair XL Stacker die for card stock base

French Flair Silver Stacker out of designer paper

2 sizes smaller Scallop French Flair XL Stacker die out of card stock

2 sizes smaller French Flair Silver Stacker out of designer paper

Scallop Circle XL Stacker out of card stock

Matching Circle Silver Stacker out of designer paper

Then I added the gorgeous Victorian Romance Flourish. I use spray adhesive on the fancy dies cuts like this. I die cut two of the three butterflies from the Exotic Butterfly Small set, cutting two of each so I could add vellum Angel Wings inserts. I added some color to the vellum with dye ink markers. The little swirls under the butterflies are the drop out pieces from cutting the flourish. I added some Viva Decor Pearl Pen accents to the butterflies and I was done. This luscious paper is from the DCWV Mariposa collection. Finished size is 5 5/8" square.
