Supplies

Pattern Paper: GCD Studios

Cardstock: bazzill Basics

Stickers: GCD Studios

Buttons: GCD Studios

Brads: GCD Studios

Chipboard: GCD Studios

Adhesive: scotch

Boarder strip:

Step 1) Using a foam tape, adhere your butterfly strip, layer that onto the white scallop strip.

Step 2) Using foam tape under the white scallop strip, adhere it to the curly board strip and mat it all onto the tan cardstock

Step 3) cut, following along the curves and layer it onto white cardstock. Then cut a scallop boarder around it all (from the white cardstock)

Layout:

Step1) Using a 5X7 photo mat it onto a piece of 5 ½ X 7 ½ cardstock.

Step 2) Cut a strip of pattern paper to 6X9 and in the upper left corner, cut a inner circle.

Step 3) using a craft knife, cut on the pattern paper, following along the inner circle

Step 4) Layer that pattern paper onto a piece of 7X10 cardstock and cut with trim scissors.

Step 5) Slip the upper right corner into the cut you made, with the craft knife

Step 6) Layer that onto a piece of cardstock (size 9X10) and follow/cut the curve of the inner circle

Step 7) At the bottom, adhere your board strip

Step 8) Layer that onto another Pattern paper (size 12X12) and cut/ trim. Leaving a thin boarder around all the papers.

Step 9) Layer that into a 12X12 piece of cardstock

Step 10) add Chipboard and embellishment to the bottom right

Step 11) add journal strip and butterfly.

Tip: first place the butterfly onto a piece of white cardstock, and then cut out. This will keep the colors true.
