

Scrapbooking & BEYOND

Card

designed for GCD Studios by Heidi Van Laar

1. Cut 2 2" lengths, 2 2.5" lengths and 1 3" length of craft wire. Wrap all with white floral tape.
2. Cut 3 light pink and 2 dark pink flowers from patterned paper. Add decorative brad to the center of each.
3. Glue light pink flowers to 2 and 3 inch lengths of wire, glue dark pink flowers to 2.5" lengths.
4. Using the vase pattern, cut two pieces of white card stock and one of patterned paper.
5. Glue patterned paper vase to front of one piece of card stock.
6. Glue flower stems to top front of other piece of card stock (above dotted line) going from shortest on outside to tallest in the center.
7. Glue Patterned paper covered vase piece on top of flower stem vase piece along the top edge (above dotted line)
9. Stamp image into cardstock frame with Chip Art tools.
10. Paint frame white and then add pink and green to stamped areas.
11. Let frame dry and then lightly sand
12. Trace frame onto green paper, cut out and add sentiment sticker. Adhere to back of frame.
- 13 Cut 4" length of yarn, loop around top of vase and glue ends to the back of the frame. Cut another 4" length of yarn, tie in a bow and glue to frame.
