

## WALL WORDS IN THE KITCHEN HELPS YOU GET ORGANIZED!

Need help getting things in their proper place in the kitchen? Wall Words can help you out! Wall Words goes on so many surfaces other than just walls – glass, tile, ceramic, appliances, cupboard doors, windows, drawers, etc. This is a quick and easy way to de-clutter some counter space with canisters labeled with Wall Words. Redecorate your home with Wall Words!

### MATERIALS NEEDED:

1. Order the words you want to install on your canisters from [www.wallwords.com](http://www.wallwords.com). You can choose from 54 font styles and 39 colors. Wall Words are easy to install, and they look so professional!
2. Canisters to install Wall Words on (or whatever else you'd like to use to get organized)
3. Masking tape

### DIRECTIONS:

1. Order your words you want to install on your canisters from Wall Words from the [www.wallwords.com](http://www.wallwords.com) website. You can preview your words online before you order so you can choose the right font to compliment your decor. You will also see the length of your word, to insure the words will fit on your canisters.
2. Make sure the canisters are clean and free of dust or kitchen film.
3. Install the Words Words using the directions that comes with your order. Just tape the word to the canisters, remove the backing sheet from the word, and the use the burnisher to install the word. Remove the transfer tape from the word, and you have a beautiful new accent item for your kitchen!
4. Install Wall Words on the rest of the canisters, and sit back and relax with a cup of coffee or tea and admire your handiwork! For a just few minute's work, you've created a great new look in your home for just a few dollars!
